

# Zionist Garden Rally Hits British Palestine Ban

Immediate opening of Palestine to unrestricted Jewish immigration was demanded here last night by thousands of Jews and non-Jews meeting in Madison Square Garden.

The rally, sponsored by the American Zionist Emergency Council, thanked President Truman for "your directive to General Eisenhower regarding conditions in American-controlled refugee camps and your letter to Prime Minister Attlee requesting 100,000 immigration certificates into Palestine for Europe's Jews."

A message to Prime Minister Attlee, expressed "deepest protest and indignation at the continuing policy of cruelty and betrayal displayed by your Government towards the Jewish National Home." Abrogation of the White Paper limiting Jewish immigration was demanded and "an immediate decision to establish Palestine as a Jewish Commonwealth."

Speakers at the rally included Rabbis Stephen S. White and Abba Hillel Silver, co-chairman of the Zionist Emergency Council, and Rev. Daniel A. Poling, editor, *Christian Herald*.

Cables from Erich Nelhans, president of Berlin's Jewish community, and Maj. Judah Nadich, General Eisenhower's adviser on the problem of Jewish displaced persons, asked that Europe's Jews be allowed immediately into Palestine.
