## *The White Paper*

Brooklyn, N. Y.

Editor, Daily Worker:

Could you please tell us in a few words what the Daily Worker stand is in regard to the British White Paper? We have had some discussion in our neighborhood and would like to know just exactly how you stand on this?

A. R. S.

ED. NOTE: Quoting our contributor, Abraham Chapman, who is fully conversant with this matter:

"The White Paper is a relic of Chamberlain's regime. It is unfair and discriminates against the Jews in Palestine by providing that in April 1944 no Jews will be allowed to enter Palestine in all but a small territory. We are therefore opposed to the White Paper as a paper which is harmful to the war effort."
